DONALD WILBERT, M.D.  
JAIME VAZQUEZ, M.D.

**Coming from I-5** take the Orchards, SR 500 Exit (Exit 2). Go approximately 4 miles; take the Andresen Exit off SR 500 and go LEFT (North) under the overpass. Take the first RIGHT onto NE 40<sup>th</sup> Street (US Bank and AT&T Cable are on the corners.) Go past Elmer's restaurant and turn LEFT onto 72<sup>nd</sup> Avenue. Take the FIRST RIGHT onto NE 41<sup>st</sup> Street. Ours is the fourth building on the left-hand side, all dark red brick with black tinted glass. The awning in the front entrance says "One Park Place" and "7600". We are on the third floor in Suite 310.

**Coming from I-205 from the SOUTH** take EXIT 30 (Orchards, Vancouver, SR 500) and bear LEFT on the exit so you end up heading WEST going **towards Vancouver**, not Orchards.

**Coming from I-205 from the NORTH** take Exit 30 (Orchards, Vancouver, SR 500) and bear RIGHT into SR 500 heading west **towards Vancouver**.

**Then**, after you've passed a bunch of freeway construction, take the Andresen Road exit; bear right and turn right onto Andresen Road heading NORTH. At the first light, turn **RIGHT** onto NE 40<sup>th</sup> Street (US Bank and AT&T are on the corners to the right, big Ford dealership on the left). Go past Elmer's restaurant and turn LEFT onto 72<sup>nd</sup> Avenue. Take the FIRST RIGHT onto NE 41<sup>st</sup> Street. Ours is the fourth building on the left-hand side. It is all dark red brick with black tinted glass. The awning over the front entrance says "One Park Place" and "7600". We are on the third floor in Suite 310.

**Parking:** Use any available space (except "disabled"). Several one-hour "Visitor" spaces are available in the front of the building. There is also plenty of parking on the top level of the parking structure immediately to the west, behind "Two Park Place" (Enter the lot on the west side of that building).
